Report of Principal and School Improvement Council

The Advanced Studies Magnet-Haut Gap Middle School has experienced another year of growth as engaged, invested learners made academic gains. Our growing Title I school of over 511 students is located in the rural community of Johns Island. The Advanced Studies Magnet-Haut Gap Middle School is a partial magnet consisting of 6th, 7th, and 8th grade traditional classes and 5th, 6th, 7th, and 8th grade magnet classes. In a positive and safe environment, our teachers are challenged to inspire and instill a love of learning. Students experience a unique and personalized learning experience through a varied and rigorous academic tract that meets the needs of all learners. Academic achievement growth was evidenced as Haut Gap's Growth Rating and Absolute Rating on the 2012 school report card remained Good.

Data reflects consistent strides in closing the achievement gap among students from varying ethnic groups, genders, and socio-economic levels. In 2012, HGMS was designated a "Focus School" to assist in closing the achievement gap. Differentiated instruction in addition to targeted instruction will remain a paramount goal for staff to continue to close the achievement gap. ASM-HG is a pilot school for the challenging, inquiry-based Math Innovations Program. Our Science Team went on to win the Carolina Science Bowl Competition and placed 1st in the Lowcountry Science fair.

There was a continued focus on literacy with daily reading enrichment classes utilizing high-interest adolescent literature and the workshop model. HGMS is again proud to have been awarded a literacy grant from the State Department of Education that provided professional development for staff. In addition, HGMS has contracted with Blue Bicycle book store of Charleston to implement the LILA's Poets in the Schools: Creative Writing Workshops and Compilation.

Students were given the opportunity to explore Art, Spanish, Creative Writing, the Scientific Process, Keyboarding and Computer Applications, and Government through elective classes. In addition, over 250 students participated on after-school athletic teams. Technology played an integral part in the learning environment. ASM-HG is the only one-to-one iPad middle school. Smart boards, iPads, doc-u-cams, and teacher microphones were utilized in all classrooms to enrich and motivate.

Our many partners in education have worked to strengthen and expand our academic program at ASM-HG. Saint John's Episcopal Church Angels provided school volunteers, supplies, luncheons, and a myriad of supports. Through Communities In Schools (CIS), volunteers from Kiawah and Seabrook Island have tutored and mentored students in magnet and regular classes, and community partnerships have been brought in to assist our students with basic needs and behavioral support. ASM-HG is Charleston County School District's middle level "Demonstration School" for the Positive Behavior Systems. We are a model school that represents a positive approach to student behavior, engagement, and achievement.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
